## SHARON LYNN

### ABOUT

Sharon Lynn was raised in Arizona, but it was living in England as a teenager, and every return trip since that inspired the setting of DEATH TAKES A BATH. As a professor of film, theater, and writing, she inspires creativity in young people.

### Death Takes a Bath

When Maddie McGuire lands an archeology internship at the Roman Baths in England, she assumes everything will go her way. But when this college sophomore discovers a severed human ear on her doorstep, she must solve its meaning before she becomes the next victim, or worse, gets deported.
